

Duluth East High School

Duluth East **ANGP** ALL NIGHT GRAD PARTY

Dear Friend of Duluth East High School,

The first Duluth East All Night Chemical-Free Grad Party was held 25+ years ago. Started by a principal who wanted to offer a safe and memorable celebration for seniors on graduation night. As parents of the Duluth East Class of 2019, we are proud to continue this tradition by honoring graduating seniors with an All-Night Chemical-Free Graduation Party on June 5th, 2019. This tradition has helped keep our graduates safe on graduation night for over 25 years. As in the past, we anticipate nearly 100% participation by our graduating seniors, a class of about 390 students.

The success of this event relies on the volunteers and our community. We are asking for your consideration in supporting these graduates of Duluth East High School.

Your generous support of this event will be greatly appreciated and gratefully acknowledged through the parent newsletter, *The Greyhound Reader*, and in the 2019 Commencement Program. In addition to your donation, we also welcome your own promotional literature to be included in each student's gift bag.

Cash donations are appreciated, as are donations of gift certificates and other items suitable to give as prizes throughout the evening.

Thank you for helping us make a safe and memorable night for our 2019 graduates!
